## Program Overview

So you've had your Project Management Fundamentals training and have been doing projects for a while. You've convinced yourself that being PMP® certified is your next career move. But how do you complete your 35 contact hours without going through the whole nine yards of a PMP® Exam preparatory course?

This program is designed for the project manager who has some formal training in project management but just need to complete his contact hours and focus on taking the PMP® Exam. It focuses on the PMP Exam Content Outline and drills the participant on various techniques on how to pass the exam.

Participants are given a copy of SAS Management's Brain Dump and ITTO posters as well as a 90-day unlimited access to the PMP® Online Exam Simulation courtesy of [SAS Global Academy](#). They will also be issued a certificate with 19 contact hours, which when added to the prescribed pre-requisite *Project Management Fundamentals* training course, satisfies the 35 contact hours' requirement to take the PMP Exam.
